

NATIONAL COLLEGE OF FIRE & SAFETY ENGINEERING

An Autonomous College Recognized by (Government of Maharashtra)

Advance Diploma in Occupational Safety, Health and Environment Management

The (chemical, physical or biological) agents mentioned have effect in the workplace; not only directly for workers who perform a particular task, but also for people from other areas that are part of that environment. Moreover, the presence of these agents also affects the external environment of the company like nearby businesses, nearby communities and in general the soil, air and water.

Distance Learning:

Distance learning is a way of learning remotely without being in regular face-to-face contact with a teacher in the classroom. Every year we conduct our examinations of given courses in the month of June and December. You can join NCFSE for correspondence courses throughout the year to enhance your knowledge. The courses that we offer are highly compatible with International standards.

Admission Procedure:

Send Demand Draft in favor of **NATIONAL COLLEGE OF FIRE & SAFETY ENGINEERING** payable at Nagpur of amount Rs 9000 course fee. As soon as we received your Demand Draft and application form we will send you study material at your given address.

Office Address:
