Not only this you may also opt for an entrepreneurial career by becoming a Fire Surveyor or Fire Consultant. Alternatively you can also get into a business line of Safety equipment, fire equipment, installation of fire detection and manufacturer of Safety and suppression system.

Distance Learning:

Distance learning is a way of learning remotely without being in regular face-to-face contact with a teacher in the classroom. Every year we conduct our examinations of given courses in the month of June and December. You can join NCFSE for correspondence courses throughout the year to enhance your knowledge. The courses that we offer are highly compatible with International standards.

Admission Procedure:

Send Demand Draft in favor of **NATIONAL COLLEGE OF FIRE & SAFETY ENGINEERING** payable at Nagpur of amount Rs. 8500 course fee. As soon as we received your Demand Draft and application form we will send you study material at your given address.
